Purpose

The Blissymbolics Independent Study Program was developed as a home study course for those wishing to complete Blissymbolics Elementary Training.

This self-study program allows participants to complete, in their own time and in their own way, the curriculum developed for Blissymbol workshops.

Topics covered include:

- Blissymbolics System and capabilities
- Special Blissymbols
- Vocabulary Selection
- Blissymbol Communication and Interaction
- Assessment and Programming

The program is appropriate for professionals, family members or care givers who interact with Blissymbol users and who want to understand the application of Blissymbolics as a communication system that grows with the user.
